Election Tuesday Hold Interest In Many Contests

County, District Offices To Be Decided At Primary

Because of the number of county, state and district contests to be settled at the primary election next Tuesday more than passing interest is expected from local voters.

The polls will open at 7 a.m. and close at 7 p.m. and the election boards and polling places will be found in the official notice of election elsewhere in the Sierra Sun today.

COUNTY CONTESTS

There are four interesting county contests scheduled to be decided. The first sees the incumbent district attorney, Vernon Stoll, opposed by Harold A. Berliner. The incumbent sheriff, Wayne Brown, will ballot it out with former Sheriff Richard Hoskins, and Coroner Alvah Hooper, the only candidate from the eastern section of the county, has Larry Meyers as his opposition. Joe O'Connor, county surveyor, has as his opponent William H. Carey, Jr.

County Clerk R. E. Deeble, Treasurer Elma Hecker, Recorder John E. Nettel, Assessor William Tamblyn and Public Administrator Theodore Kohler are unopposed.

Constable N. F. Dolley of Truckee, seeking reelection, is also unopposed at the primary.

STATE OFFICES

Leading in the race for nomination on both the Democratic and Republican slate for governor is the incumbent Goodwin J. Knight. His nearest rival is Richard Graves, former secretary of the California League and Municipalities and capitol lobbyist.

In the lieutenant governor contest incumbent Harold (Butch) Powers is opposed by Frederick Houser, James Silliman and R. Roybal.

Frank M. Jordan is opposed by Daniel Raeburn for his position as secretary of state.

Robert C. Kirkwood, the capable incumbent has George D. Collins opposing him for the state controller post, while Charles G. Johnson and George E. Johnson are the principal candidates for the office of state treasurer now held by the former.

Edmund G. (Pat) Brown is contested by Fred N. Houser and Claude A. Watson for the attorney general post, held by Brown.

EQUALIZATION BOARD

A three-way contest for a member of the third district board of equalization post looms with the incumbent Paul Leake of Woodland battling it out with Clinton Duffy and Donald Mitchell, Leake basing his fight on needed reforms in the liquor control division.

CONGRESSIONAL

Incumbent U. S. Senator Thomas Kuchel is being contested by William Yorty.

In the state legislative race Clarence A. Steves is opposing incumbent Francis Linday.

Only one name, that of B. W. Reynolds appears on the local Republican central committee ballot, but none will appear on the Democratic ballots.

Although Albert Bequette, superintendent of the Placer County schools has direct jurisdiction over the Tahoe-Truckee Unified School district, voters in this area are not permitted to vote for that office, but can vote for Melville Johns of Grass Valley, who has no jurisdiction over this district's schools.

FASHION SHOW WILL AID HANDICAPPED

A fashion show will be given in Capitol Hall at 1 p.m., Saturday, June 19, sponsored by Pythian Sisters Summit Temple No. 79 for the benefit of the Spastic Foundation at Reno, Nev.

Mrs. L. Carutcheberry, chairman in charge of arrangements, said that funds raised by admission to the show will be divided between local and national projects of the organization.

The styles to be modeled will include teen age group and women's fashions.

Three Officers Are Installed By Lodge

Pythian Sisters Summit Temple No. 79 installed three officers at their meeting held on May 27. Those taking the chairs are Alice Spratt, guard; Ella Water, protector; Ruth Carutcheberry, manager.

Following the ceremony, Pearl Heller was honored at a surprise birth date celebration. A decorated cake from Stewart's Bakery and a gift were presented to the honoree. Later a supper was enjoyed at St. Louis restaurant where the table was decorated with an attractive center piece of flowers.

Hurts Hand—

Victor L. Harris returned to Homewood following treatment at Tahoe Forest Hospital for a hand injury sustained while working.

KINGS BEACH AREA GETS NEW DIAL 'PHONE SYSTEM

KINGS BEACH — The Pacific Telephone Company last Thursday night brought a new service to this community when the cut-over from the old style telephones to dial was completed in a brief ceremony presided over by Manager Howard Newsham.

Preceeding the cut-over at 10 p.m., a group of guests of Mr. and Mrs. Newsham enjoyed a dinner at Cal-Vada Lodge. Attending were Messrs. and Mesdames Julius Gold, Harry Charrison, Fred Main, Frank Chase, Walter Barrett, Thomas Sheehan, Newton Hansen, Lester Williams and Mrs. C. Starke, Jerry Gordon, Fred Kraus, A. J. Baader and Harold Bartlett.

Main, president of the Lake Tahoe Sierra Chamber of Commerce, spoke briefly on the improvement and called attention to the great growth in the Lake Tahoe area.

Newsham later explained the intricate dial system at the new plant in Kings Beach which cost more than $200,000 to install and convert.

The new Liberty exchanges in North Tahoe are the second in the lake area within two years to go into dial, the first being at Tallac.

FIRE WORKS, LOCAL BOOTH, DISCUSSED AT CHAMBER MEET

Plans for the fireworks display to be staged at the west end of Donner Lake on Independence Day and a discussion relative to establishing an information booth in connection with a southern California concern, featured Tuesday night's meeting of the Truckee Chamber of Commerce.

The latter suggestion was made by Orval Vaughan, chairman of the chamber's publicity and advertising committee, who said he was investigating the possibiilty of cooperating with Jack Snyder of the California Safety Stations of Burbank.

The firm has installed a station at Blythe to sell tour script and promote business in various larger centers from tourists entering the state, Vaughan told the chamber. He approached them on the idea of erecting a small booth near the quarantine station, to be financed and maintained by the concern but wth the sanction of the chamber.

General information, distribution of literature and other services would be paid for by Snyder's organization, the chamber simply cooperating, but proving signs and furnishing the materials for distribution.

The matter is being given further study.

Earl Stice, Charles Heller and C. A. Tollefson were named on a welcoming committee to meet new business people entering the area.

Other matters concerning the welfare of the community were discussed. President Howard Newsham presided.

Vacationing Mother Has Son In Hospital Here

A son weighing more than 9 pounds and named for his father who is now at Okinawa was born to Mrs. Hugh McGuigan of Roseville after she was rushed to Tahoe Forest Hospital Monday. Mrs. McGuigan was the guest of her parents, Mr. and Mrs. Frederick Von Fluee also of Roseville, vacationing at Donner Lake.

Dr. Sidney Kase was the attending physician.

Local Artist Adds To Cafe Decoration Scheme

Rafael Jolly has completed a painting of four horses which hangs on the newly decorated wall in the St. Louis Cafe.

The animals evidently depicting those seen running wild in Nevada are lifelike and the scene is creating much favorable comment.

Mrs. Waters Ill—

Mrs. George Waters was a patient in Tahoe Forest Hospital this week.

Appendectomy For Child—

Four years old Kenneth Dorr underwent an emergency appendectomy in Tahoe Forest Hospital early this week during a vacation with his parents, Mr. and Mrs. Kenneth Dorr at Tahoe Park. The family resides at San Jose.

Fire District To Embrace County Is Being Studied

Supervisors Propose Service Area To Eliminate Present System

The Fire District discussion brought out a representative group Wednesday morning at the Board of Supervisors' meeting. Approximately twenty people were present, some from McCourtney Road, Indian Flat, Chicago Park, Ridge road, the Lower Grass Valley Road, and others. Supervisors Jack Frank, Curtis Clark, Jay Coughlan, Henry Loehr and Chairman Guy Robinson all in attendance.

Bill Cassettari, deputy district attorney, made the suggestion that a motion be made to the effect that the surveyor draw up a boundary map for a service area, excluding the Truckee fire district, this area to be created for the purpose of structural fire protection. These boundaries are to be presented to the County Boundary Commission for approval and then presented to the board. The motion was made by Jack Frank and seconded by Curtis Clark; it was passed unanimously.

Suggestion Made

After the board receives the approved boundary map, they will inform the people within their districts. This suggestion was made at the afternoon session after a lengthy discussion in the morning when three possibiilties were offered to the people.

(1) That 50 taxpayers or residents in any unincorporated area could petition their Board of Supervisors for a fire district. After the filing of this petition, a public hearing would be held, when if there were no protests the board could appoint a three-man fire commission. After the original appointment, they would be regularly elected in the month of April. Money would be raised by taxation of property within the district. Boundaries would have to be determined.

(2) The second method would be initiated by the Board of Supervisors. It would be decided by resolution to hold a special election whether or not to have a fire district. After the special election, if district were formed it would be controlled by the Board of Supervisors who would delegate a five-man board of fire commissioners.

(3) The third method, which was finally decided on, was to create a service area. The Board of Supervisors to request proceedings to describe boundaries, and to state the type of service to be cleared by the county boundary committee. This to be adopted by final resolution, with no election necessary.

SHRUBS SOUGHT TO BEAUTIFY HOSPITAL

Continued efforts to beautify the grounds at the Tahoe Forest Hospital are being made by Administartor John J. McGlade, who this week is appealing for shrubs or plants which might be used in the project.

McGlade said he is in communication with H. M. Butterfield, agriculturist at the College of Agriculture at Davis attempting to find a suitable grass for the north side of the hospital which will require little attention but which will serve as a beautifying covering for the ground.

Skits Are Presented By Girl Scout Troop

The Donner Girl Scout Troop presented four skits depicting different types of breakfasts at a party given by the fifth grade of the Truckee Elementary School Friday night. The girls also taught folk dances to their friends. These two activities will give credit toward the nutrition and second class badges in Girl Scouting.

Boy Improved

Easton Buehler is reported by his mother, Mrs. Elwood Buehler, to be improving in the University of California Hospital at San Francisco, following a recent illness.

Mrs. Buehler said that Easton will undergo surgery this week and is appreciative for the many inquires of his health.

SUNBEAMS

By WALTER M. BARRETT

Next Tuesday's election is a highly important one and every registered voter should take part in it. It has often been said that bad public officials are elected by citizens who don't vote and it is certainly true that citizens who fail to vote in the primaries are also opening the door to the possible selection of undesirable officials. When you go behind that little curtain Tuesday you are not only exercising a privilege which millions of people all over the world would love to have, but have lost because of their inability to keep free governments, but you are also faced with a grave responsibility. Give serious thought to the best interests of the state, county and community. No vote counts for more than the one you will cast, so select the right man—the one you believe in your heart will be best for you and your fellow citizens—and when you leave the voting booth do so with a sincere belief that you have done your honest best. We are not going to attempt to tell you how to vote. but by all means VOTE.

Unemployment Drops As Service Here Is To Be Discontinued

The drastic drop in unemployment in this region makes maintenance of the local office unnecessary and Raulin J. Silveira, manager of the Auburn District office of the Department of Employment, said that during the summer months claims will be processed at Auburn.

The local unemployment list dropped from an approximate 150 during the winter months to less than 20 at the present time, Silveira said while making his concluding visit to Truckee last Wednesday.

Much of the unemployment wa absorbed by the resumption of work at the Stockton Box Company plant, opening of resorts and general increase in local business.

Silveira urged employers in need of help of any kind to contact his office at Auburn and that all types of positions can be filled with dispatch without obligation to the employer.

The district manager indicated that the service in Truckee and North Tahoe will be resumed when the need arises without the fuss and inconvenience experienced last fall when a reciprocal deal was made with the Nevada department to handle local claims.

Summer Catholic Mass Schedule

Father Patrick O'Neill this week announced the summer mass chedule for the Catholic churches in the district as follows:

Truckee Assumption Church, 8 a.m. and 10 a.m.

Tahoe City Corpus Christ Church, 8, 9:30 and 11 a.m.

Kings Beach, Our Lady of the Lake, 8, 10, 11:30 a.m.

Meeks Bay, Field mass, 12 noon starting July 4th.

Al Tahoe, St. Theresa's, 7, 8, 9, 10:30 and noon.

SEWER EXTENSION IN BROCKWAY AREA

KINGS BEACH—According to Harry (Pappy) Brooks, secretary of North Tahoe Utility District at Kings Beach the bonds have been sold for the sewerage extension to Brockway Park and the Nevada State line.

Work will start with the minimum of delay. This is indeed a step forward for the north side of Lake Tahoe.

Guests of Burlinghams—

Mr. and Mrs. A. E. Burlingham had as their weekend guests, Mrs. Nellie Mitchell and Mr. and Mrs. J. Davis, allof Oakland and Mr. and Mrs. Frank Carson of San Jose.

Esola Sees Friends—

Augie Esola of North Highland and Mrs. F. Esola of Sacramento were Memorial Day visitors here.

District Installing New Water Tank To Boost Service

Board Proposes Improving Donner Lake Area This Year

The installation of a new 100,000-gallon redwood water tank north of the Tahoe Truckee High School and the laying of 4,000 feet of new mains has been started by the Truckee Public Utility District.

The new installation will bring to 550,000 gallons the total storage of the local water system, the new tank being the third 100,000-gallon tank to be erected during the past ten years, supplementing the 200,000 gallons stored in the tunnel and 50,000 in the former Truckee Water System tank south of town.

When completed within the next 60 days, the new storage tank will provide needed pressure in the Meadow Lake and high school district for fire protection.

At the present time the district directors are negotiating in the Donner Lake area to take over that district to the west end of the lake. C. Edmunds, district manager, said the area would likely be included in the local system this summer.

Residents of the Donner Lake area are financing the transition from the present inadequate system and no obligation is being placed on the present district, Edmunds said. When completed as planned, the entire region will have a water system fully adequate for the needs of the fast growing district.

SOFTBALL LEAGUE TO START TONIGHT AT LOCAL BALL PARK

The Truckee Softball League will get under way tonight with the SCEA meeting the Sierra Pacific squad at the Truckee baseball park.

Both teams are rated high and a fast game is anticipated.

In the second game of the series Monday evening the Southern Pacific will meet Leamon's Independents.

The public is invited to attend the games and arrangements are being made to have refreshments available, Daven Morey, president of the Truckee Athletic Club, sponsors of the league, announced.

Free Dinner For Lake Chamber Friends Mon.

All members and friends of the Lake Tahoe Sierra Chamber of Commerce are being invited to attend a free dinner and cocktail party being prepared by the management of Cal-Neva Lodge at Crystal Bay Monday evening at 7 o'clock, Clare Titus, the chamber secretary, announced today.

SERVICES HELD FOR RAY LAKE TUESDAY

Funeral services wer held at the chapel of the Truckee Colonial Mortuary Tuesday afternoon at 2 o'clock for Ray J. Lake, 43, local Southern Pacific water service employe, who died here Saturday afternoon following a lengthy illness.

Eugene Risden, pastor of the Truckee Methodist Community Church, officiated. The body was taken to East Lawn at Sacramento for cremation.

Lake, a native of Minnesota had resided in Truckee for the past ten years and was widely known.

He is survived by his wife, Mrs. Amy Lake of Truckee and his father, Harry Lake and a sister, both of Dunsmuir.

VETERANS OBSERVE MEMORIAL DAY

STREAM FISHING IS REPORTED BETTER

Stream fishing got off to a bad start in this immediate area Saturday when a strong wind, at times reaching gale proportion, making the sport uncomfortable.

Nevertheless hundreds of fishermen flocked to the area and a number of excellent catches were reported.

Sunday turned out mild and warm and all streams throughout the district were lined with fishermen as the season advances it promised to be one of the best for many years.

Graduation Exercises At High School Tomorrow

Graduation exercises at the gymnasium of the Tahoe Truckee High School will hold the spotlight tomorrow evening when 15 seniors will be presented with their diplomas at a program, details of which were announced last week.

Baccalaureate services were held Sunday evening.

Miss Helen Heffernan of the State Department of Education will be the main speaker at tomorrow night's program and the diplomas will be presented by W. A. Loynd, president of the governing board of the district.

A number of special awards will be given the outstanding graduates at the services and the public is invited.

Former Residents—

A number of former local residents who came for the Memorial Day weekend were Mr. and Mrs. A. D. Chloupek of Tonapah, Nev., Mr. and Mrs. Harry Riggs of Sacramento and Mrs. Isobell Carson of Empire, Mrs. Jennie Watkins and Mrs. Hannah Harvey, also of Sacramento.

Court Decision In Hospital Hearing Favors Directors

Injunction Sought by Doctor Is Denied Following Court Hearing

At least a part of the controversy between the directors and staff of the Tahoe Forest Hospital and Dr. Frank Gorham came to an end last Friday when Judge Coats, presiding in the superior court at Nevada City denied the preliminary injunction sought by Dr. Gorham in his suit against the hospital.

In a letter to the defendants, Paul Chamberlain, who represents the hospital and officials, explained that Attorney Belli of San Francisco, representing the plaintiff, appeared in court to press the suit for mandatory injunction and attempted to override the order previously made by the court.

The court trial in the damage action brought by Dr. Gorham at the same time the injunction was sought, will probably not be heard before September or October, Chamberlain said.

Dr. Gorham brought suit against the hospital and staff and the board of directors several weeks ago after his application for admission to the medical staff was denied. He charged "a nation-wide conspiracy to obstruct justice" and asked $150,000 damages.

LAUNDRY OFFERS FREE CLEANING FOR FLAGS HERE

Nat Quilici, owner of Fontana's Laundry, in a public spirited gesture, will clean soiled American Flags, without charge between June 1-12, according to Commander John Street of Truckee American Legion Post, No. 439.

The accommodation was made possible so that flags will be presentable for proper display on Flag Day, June 14. Owners wishing to take advantage of the service should take the flags to the laundry during the designated time.

Projected Program For Pre-school Children Explained At Meet

Milton Babitz, consultant in parent education for the State Dept. of Education, spoke before a large and enthusiastic audience on May 27 and will again on June 2.

Mrs. James Starratt and Mrs. Oliver Scow will head an organizing committee for the Lake Tahoe and Truckee areas for the institution of the program.

Babitz praised the group for interest in pre-school children and stated that the program will benefit the community as the parents taking part in the nursery school will be able to discuss them with a trained teacher.

Financial aid from the state will be alloted on the basis of parents attendance at the sessions.

Mrs. Starratt or Mrs. George Boyle in Tahoe City, Mrs. Scow and Mrs. John Neugebauer of Truckee may be contacted for those interested in the project. Fathers are given a special invitation.

LAST RITES HELD FOR LOCAL WOMAN

Funeral services for Mrs. Oroile June Dohme, 39, who expired here last Thursday were held at the chapel of the Truckee Colonial Mortuary Saturday at 2 p.m.

Eugene Risden, pastor of the local Community Methodist Church, officiated at the rites and burial was in the Truckee cemetery. Mrs. George Kamp was the organist.

Mrs. Dohme is survived by her husband, Jack, and a 10-year-old daughter, Violette.

Shorty Back Home After Long Absence

Shorty, run-away horse belonging to Barbara Brown is home again after wandering around the country for 11 days. The animal was finally traced to a spot near the air port and returned by James McIver to it's grateful owner. Shorty was a birthday gift.

Driver Cited Following Wreck At Donner Lake

Eugene A. Schroeder of Vallejo was cited by Highway Patrolman Roy Stallard for passing without sufficient clearance and cutting in a line of cars following an accident on Saturday morning, a half mile west of the foot of Donner Grade. The left front of the vehicle was damaged but there were no injuries.

Mrs. Marsden At Meeks Bay—

Mrs. Edna M. Marsden of Laguna Beach has written that she will be at Meeks Bay this weekend.

PRIMARY ELECTION JUNE 8TH

SWANEE'S Lake Tahoe Letter

Tahoe City, May 30

DEAR TAHOETITES: This is the first big holiday weekend of the summer season and so far the huge crowds visiting our shore appear to be driving sanely and cautiously. One local resident, Mike Soltau of Tahoe City, Saturday came to grief on the curve at the base of Dollar Hill around 5:35 p.m. when the truck he was driving for an Oakland bakery was completely demolished and he landed in the Tahoe Forest Hospital for medical examination. Jay Shontz and Pete Vannie took him down in Tahoe City's new ambulance, giving him the doubtful honor of being the second passenger to make the new vehicle. (Bob Wray the first).

Soltau declared his wheels struck the shoulder of the highway throwing the machine out of control, turning it over. Soltau, at first thought seriously hurt, is now believed suffering only from cuts, bruises and shock, according to a late report.

Mrs. Marie Henry reports no calls offering assistance in the maintenance of the air watch in Tahoe City at their garage, although Mrs. Harold Young of Rockwood Inn, Homewood (who has already earned her wings at the Air Filter Center in Sacramento) has promised to come when she can this summer. Any other volunteers? The A. M. Henrys motored to Auburn on Thursday evening last to attend the banquet held at the Grange on the Grass Valley highway in honor of Dr. Ruth Moldenhauer, who has been appointed the new director of the Placer County Health Center. Mrs. Henry is a member of the Placer County Board of Health.

In over the weekend are Mr. and Mrs. Herman Rauh and children of Sacramento, who are opening the summer home of Mrs. Rauh's parents, Bishop and Mrs. Noel Porter who will arrive to spend the summer on June 20th, the first services of the season to be held at the Episcopal Chapel of the Pines on that date with the good bishop officiating. The general public is cordially invited to attend the services each Sunday at 11 o'clock.

Am pleased to report that Lake Tahoe Ski Club's Lewis Fellows, son of the Ray Fellows of Carnelian Bay returned home from Sonora Pass with top honors in the Stockton Ski Club's annual meet . . . first place in a A class for the giant slalom. He failed to enter the jumping events because of the extremely poor snow conditions, which appeared too dangerous to negotiate. Congratulations, as usual, Lewis! Last year had the best time of the meet and had his name inscribed on the beautiful Perpetual Trophy, but because of a mixup in the timing this year, he had to forego this pleasure.

And here's a word of cheer for the mothers and fathers of the Lake Tahoe area who are interested in the organization of a Cooperative Nursery School. On Thursday evening of last week the first meeting was held in the Tahoe-Truckee Unified High School for the purpose of talking over the possibilties of such a school here. Another meeting was held on Wednesday night, to further plans.

The school would be run as part of the Adult Education branch of the high school and would be open to all parents and their pre-school age children. A teacher would be provided and better methods of child care and rearing would be stressed.

Little Bro Shontz, son of Mr. and Mrs. Jay Shontz of Tahoe City, was guest of honor on Friday last at a birthday party at the home of his parents in town. Helping him celebrate his fourth birthdate were his sister Jayne, Skippy Scout, Danell and Dorothy Pomin, Julianne, Jimmie and Cheryl Bechdolt, Jim Henry, Anne and Sally Starratt and Marty Spitsen. Elders who shared the pleasant affair were Mrs. Betty Starratt, Mrs. Patti Scott, Mrs. Violet Pomin, Mrs. Bernie Bechdolt and Mrs. William Henry. A big birthday cake and ice cream climaxed the afternoon's entertainment, with favors of cowboy holsters and guns for the boys, and little purses for the girls. Bro received many lovely gifts from his small guests.

Tahoe City residents will cast their votes on June 8th at the Tahoe Community Center. The election board will consist of the fol-low ladies: Inspectors, Mrs. Martha Snyder and Mrs. Louise Geier and their crews. Mesdames Irene LePire, Jeannette Mitchell, Gladys Anderson, Laura Wilson, Eleanor Swanson, Elaine Wright, Ida Summonds, Corrine Otton, Wilma Korich and Anna Martin. Polls are open from 7 a.m. to 7 p.m.

Have a cheery line from Superior Judge and Mrs. Chester McDonald of Woodland who opened their summer home in Timberland Tract over the past weekend. They will be entertaining friends throughout the season. McDonald is recovered from his recent illness and back to his usual good health once again.

Time is not far distant when the Robert Briggs will be leaving Tahoe for Greeley where Briggs will pursue higher education at Colorado State College. They plan to depart between June 11th and 15th and fondly hope to return again to the Lake Tahoe area when school for Mr. B. has been completed. The Briggs came to Tahoe in August, 1950, Briggs teaching at the high school. Mrs. Briggs joined the teaching staff of Tahoe Lake School here as instructor in the intermediate grades and was made principal of the school on January 1st, 1950. Both of these popular, efficient educators will be missed, but the prospect of their return will greatly diminish the pain of parting. And here's wishing them good luck and every success in Colorado!

Learned only today that two more of Tahoe's oldest pioneers have gone to their final rewards. Mrs. William Ellery Briggs of Sacramento, passed away several weeks ago in her late 80's. A dear old lady who was an inspiration to all who knew her. She was the mother of Mrs. C. K. McClatchy of Sacramento. The Briggs have been coming to their lakeshore home at Sunnyside since the 1900's, according to oldtimers. Also gone is Miss

NORTH TAHOE

By JUDGE HARRY CHARRISON

When it comes to street cleaners, you ain't seen nothing yet, till you see the ladies of the Women's Club of Tahoe City. Twice in the past two weeks these ladies could be seen clearing all the debris from the sides of the road. In fact in every nook and corner they raked and scraped until that community looked as spick and span as any model city could look. That is being good citizens in a big way and our hats are off to your ladies. Make Kings Beach your next scene of action, huh?

Was around town the other day and was surprised to see the beautiful home built by Bill Ball for Mr. and Mrs. Paul Auen way down by the lake just east of Fred Rockholms pier. The Auen's are from San Francisco.

At the meeting of the Lake Tahoe Lions Club which was held in the Gun Club, Lee Madden, secretary, gave a report on his visit to a district convention at Hoberg's, where he literally stole the next convention for North Tahoe next year. Officers were elected for the 1954-55 term. Walter Mandeville, president; Jack Felte, first vice president; Bill Ball, second vice president; Mike Kornazowich, third vice president; Lee Madden, secretary-treasurer; Charles Moore lion tamer. Henry Graton, tail twister; for two-year term as directors, Wally Skaggs, and Ernie Crawford. Guests were Frank Paoli and Francis West. Dick Lavery was in for a while too. On June 8th the members will have a dinner meeting at Cal-Vada at 8 p.m.

Saw Rube Welch down by the post office and was surprised to see him looking as well as he did. Rube had quite a time in a San Francisco hospital and all of his friends hope it was well worth while, and that he will soon be on his feet and as well as ever. Keep up the good work, Rube.

Mr. and Mrs. Jay Clark of the California Agriculture Department had a nice stay at Kings Beach. A couple of expert golfers they are too. We had to put the shutters up on our house on the golf course as they passed.

Had a good report from one of the health officials a few days ago. It was said that the department is quite pleased with the cooperation it is receiving from house and store owners. That is good, as health and safety is a very important factor in our community.

Well as last Bert King has his very cute cabins finished and they have selected a very appropriate name for them. "The Kings Court." The name on the sign is encircled by a crown, pretty cute.

Ned Malla, the proud owner of Fred Bartons cabins on the highway, has brought his furnishings up from Palo Alto and has cleaned up around the place and is almost ready to go, with some nice cottages all spick and span.

Called on the Olsons, owners of the "Olsons of Tahoe" novelty and gift shop last weekend and was very much surprised at the wonderful articles within the store. The decorations are adorable. Stop in and see these fine folks.

Once again the Sunday service of the Wee Kirk of the Pines at Kings Beach was well attended, there being no less than 23 new faces. The choir members, at least a number of them, were absent on account of it being the first big holiday of what promises to be the biggest ever at the lake. The minister, Rev. A. B. Covher, is asking for volunteers to augment the choir and even though you are only here as visitors or for the summer your cooperation would be very greatly appreciated. Now for the big night at Cal-Vada Lodge. This you will remember Jobby Lewis is donating the dinner for the church benefit and what a break it is for us. This is a real humanitarian act on Joby Lewis' part, so let us go to town and get a load off our shoulders in the manner of paying our way. This dinner is at 7 p.m., June 5.

Joby Dewis of Cal-Vada was called to Missouri last week on the information that his young brother had been badly hurt in an automobile accident. It is very gratifying to hear he is out of danger and progressing very well, and Joby has returned to Crystal Bay, now awaits grand opening on June 18.

Dave Ashton had a visit from his sister and brother-in-law last weekend, William Pappas and Rosalie. Bill is now manager of the Union Oil Distributing Co. in San Jose, having been transferred there from Pasadena where he was with the company for many years. Oh yes, Penny and Peter accompanied their parents.

Had a visit from Don Kennedy of Palo Alto, up over the weekend. Don happened to be up on a civil case, and was accompanied by J. A. Arnott of Carnelian Bay. The Arnotts intend to be back to stay pretty soon.

Jeanette Mitchell and Meryl Rose were here ot visit our church last Sunday. We were both surprised and happy to see them over from Tahoe City.

Come again, won't you?

I see Mrs. Moody has opened her Sky Blue Waters resort opposite the Brockway golf course in Kings Beach.

Next Tuesday is election day from 7 a.m., so be up bright and early, hold on to this great privilege. Go to the polls and vote. If in doubt keep still and think it out, then vote for your choice but be sure to vote.

At long last we are now enjoying the dial system on our local exchange phones. It all took place so quietly and the subscribers had been subjected to a thoroughly wonderful training by our genial manager, Howard Newsham, that it was as easy as pie to become acquainted with the new system. So now we can dial with a smile and its really wonderful.

One morning of last week Sandy Sillman's show on TV was enlivened by the appearance of a native of our area in the person of Finnie Arney. I understand she represented us with poise, dignity and intelligence, and left with an armful of worthwhile goods—pearls, dog food, fruit juices, and other articles too numerous to mention. It was more fun than a picnic, says Finnie. While in San Francisco they enjoyed visiting the play, "Brigadoon." Ruth Mizner of the Stop Shop, Kings Beach, accompanied Finnie.

Sunday last gave us an idea of what we may expect at North Tahoe during the coming summer. Kings Beach and Crystal Bay were literally lined with cars. Even up here the parking facilities are taxed to the limit. That's going some, huh?

Don't forget if you intend to attend the Community Church dinner, tickets may be secured at Cal-Vada Lodge that night or see Joellyn Ashton today. She will be most happy to sell you a dozen or so.

Carl B. Thorwaldsen is the buyer of the desirable property in Tahoe Vista formerly owned by Floyd Lowes. Mrs. Thorwaldsen is expected here shortly as soon as her son, now attending the University of New York, can leave his classes. The sale was made by "Hustling Hanks" Dodds, who predicts one of the biggest years at North Tahoe.

Mr. and Mrs. H. M. Dodds have returned from a trip to Los Angeles where they attended an oldtimers convention at the new Satler Hotel and among other speakers heard ex-Gov. Frank Merriam. They made the trip both ways by plane and experienced a thrill on the return when the plane made a forced landing due to engine trouble.

The Washington Monument was dedicated February 21, 1885.

The Rudolph Zimmerman family of San Francisco are expected to open their Tahoe City home this weekend.

Stella Watson who has been at Shingle has also returned to Tahoe City for several months.

Do you belong to the clean highway club? It's easy! Carry paper bags in your car in which to put trash. When filled deposit in convenient roadside receptacles.

CARD OF THANKS

I am taking this means to thank all of my friends for their patronage during my co-ownership of the Tourist Club, also a sincere wish for continued success to John Richards and Gino Giovannoni.

CHP Safety Truck Making Tour For Educating Drivers

SACRAMENTO—Watch for the California Highway Patrol safety bus in your locality.

Latest addition to the patrol's safety education program is a recently acquired mobile safety education unit which is now making its way around the state.

The unit is housed in a converted commuter-type bus made available to the patrol as a public service by the Pacific Greyhound Lines and will be operated by patrol personnel.

This bus contains numerous testing devices designed to measure the driving skills of motorists.

"These devices are purely educational and for the information of the individual. No performance records of any kind are kept by the highway patrol," emphasized Patrol Commissioner B. R. Caldwell.

Other features of the safety education bus include accident photos, safe driving tips, and traffic law information.

While the bus has only recently been placed in action, it has already been booked solid through October.

Young Drivers Are Most Dangerous, Report Indicates

SACRAMENTO — "The older people grow, the older they want to grow."

This statement is based on a recent California Highway Patrol survey into ages of drivers involved in accidents, and the violations responsible.

The survey, conducted during March, 1954, indicates drivers between 18 and 22 live most dangerously, or at least have the highest percentage of accidents. Fifteen per cent of all traffic crashes where violations were committed found a driver in the 18 to 22 age bracket at fault..

People between 38 and 42 were responsible for 9.3 per cent of the accidents caused by violations, and drivers 58 to 62 years of age were held accountable in only 3.1 per cent of the cases. One person, aged 87, was cited for speeding after an accident.

Survey results again show excessive speed as the most dangerous factor in traffic. Speed was the violation responsible for 32.9 per cent of all accidents studied. Second most dangerous driving error was violation of the right-of-way, accounting for 13.4 per cent of the accidents. Improper turns ranked third, causing 8.5 per cent of the collisions.

This highway patrol survey is part of the nationwide effort to bring the speed of motor vehicles within safe limits.

RANSOME TRUCKS GET NEW SIGNS

The familiar Mountain Rotary Fuel Company signs which adorned a fleet of fuel trucks throughout this area for the past several years are equally impressive with their predominantly blue, whie and orange colors and the lettering Ransome Company.

Manager Joe Silveria recently had the trucks repainted and relettered after his company purchased the Mountain Rotary holdings here.

See Old Friend

Mr. and Mrs. Harry Oliver of Sacramento recently vacationed at Jenner, Calif. They mentioned seeing Jake Adolph, another former Truckee resident they had not seen for more than 20 years.

And you are hereby notifed that unless you appear and answer as above required, the said plantiff will take judgment for any money or damage demanded in the complaint as arising upon contract, or plaintiff will apply to the court for any other relief demanded in the complaint.

GIVEN UNDER MY HAND AND THE SEAL OF THE SUPERIOR COURT of the County of Nevada, State of California, this 18th day of February, 1954.

R. E. DEEBLE,
County Clerk.
(Seal)
By: JANE K. HANSEN,
Deputy Clerk.

TO THE VOTERS OF EASTERN NEVADA COUNTY

I sincerely appreciate the fact that at forthcoming primary election I have no opposition, but nevertheless, I will certainly appreciate your vote—a vote of confidence—if you please, for the efforts I have made to render a service as your treasurer and tax collector.

Your vote for me at the primary election next Tuesday will be appreciated and it will serve to assure me that you have confidence in my ability to continue the service which it has been my pleasure to render for more than ten years.

Thanks for the many courtesies which you have extended me during my time in office and be assured that I shall make every effort to serve you faithfully and honestly during the coming term.

Miss Elma Hecker

Primary Election: Tuesday, June 8th, 1954

Women Continue Road Cleanup In Lake Tahoe Area

TAHOE CITY—Thirteen member's of the Women's Club of Tahoe were out along Highway 89, south, cleaning up the litter from the roadsides.

The members reported most of the litter consisted of beer cans, and cigarette packages, which do show up very plain to passing motorists.

The club members would like to give credit to the Homewood District south of Tahoe City, for having their roadsides clean, which was a very pleasant sight to see.

The women met back at the Schlueter resort for lunch, and cold drinks furnished by Harry Mead of Tahoe Park.

The Tahoe City Sanitary Service picked up the refuse, which the ladies had piled on trucks, and hauled it away free of charge, to the dump, where there is a lot more room for it than along the roads of Lake Tahoe.

Police Chief Is Rotary Speaker

KINGS BEACH—William Scott, chief of police of Auburn and candidate for the office of sheriff of Placer County, was the speaker at the weekly meeting of the Rotary Club of Brockway on Monday night, May 31. He spoke on "Crime," stating that crime throughout our nation will be increased at the rate of 10 per cent during the year. At the same time alerting us to the fact we can expect to be affected in our communities at the same rate. Many crimes are committed by narcotic users; the increasing use of which by juveniles is tremendous, he said.

Scott also said the cost of crime to the State of California amounts to $3,000,000 per year and to the nation the amount runs into millions of dollars.

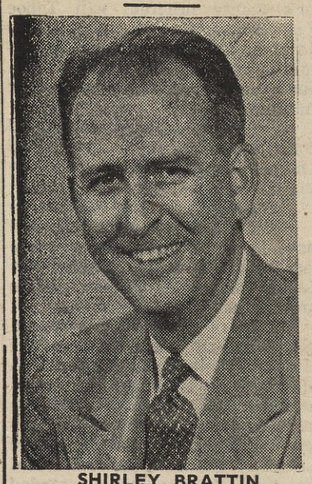
Brattin New Head Of Boy Scouts In Tahoe Area Group



SHIRLEY BRATTIN

Shirley Brattin, prominent businessman of Grass Valley, has accepted the chairmanship of the Tahoe Area Council, Boy Scouts of America finance campaign set for October 13, according to Paul Claiborne, chairman of the council finance committee. Brattin participated in his first meeting this week with members of his steering committee in laying the groundwork and plans for the campaign.

He explained to the group that a new type of council-wide effort would be made this year and that a kick-off breakfast will be held on October 13 in 16 communities throughout the council. He explained that six council-wide chairmen would be selected to serve on his committee and that they would aid each of the district and community men in carrying out their contacts in covering their area.

In accepting the job Brattin stated, "I am quite flattered to be singled out for this most important position in Scouting. I know that with the fine cooperation of the men throughout the council area, we will be able to put across this united effort for Scouting. We must keep in mind that all of our efforts are for one purpose—to provide opportunities for all boys to participate in the citizenship and character building program of the Boy Scouts of America."

Engle Announces Opening For Boys In Service Schools

WASHINGTON, D.C.—Congressmen Clair Engle (D), Calif., today announced that screening mental examinations for entrance to the three academies, Army, Navy and Air, will be given by the civil service commission on July 12, 1954. The congressman urged any young men in the district interested in taking the entrance examination to contact him at his office in Washington. The examinations will be given in in selected places throughout the Second Congressional District. He emphasized that these examinations would apply to entrance to the Air Academy recently established by congress, as well as the Naval Academy at Annapolis and the military Academy at West Point.

"Each member of congress from California is authorized to nominate not more than ten candidates for the Air Academy—those receiving the appointment being selected on the basis of competitive examination," Engle said. He also announced that he had two vacancies coming up in the Military Academy at West Point and one, and possibly two, at the Naval Academy at Annapolis.

At Club—

Don Kessler of San Francisco was at the San Francisco Flycasting Club during the weekend and reported there were more than 20 members and guests of the club staying in Truckee for the holidays.

A STATEMENT OF POLICY TO THE PEOPLE OF EASTERN NEVADA COUNTY

On the eve of the Primary Election next Tuesday, I believe it advisable to make myself clear on the policies which I propose to follow if I am elected your District Attorney.

In the first place, I feel that it is entirely unjust for the taxpayers of smaller Districts in the county to be required to employ outside legal advice when the law specifically provides that those duties are to be performed by the District Attorney.

It has been revealed that during the last fiscal year the Tahoe Forest Hospital District paid out $513.50 in attorney fees while the Truckee Sanitary District paid $383.40.

These charges are not excessive, but you are paying twice for the same service—once through your taxes for the District Attorney's salary, and secondly through the apparent necessity of employing outside attorneys with the District's tax money.

If elected, I guarantee that this practice can be eliminated. I will make it a part of the work of the District Attorney's office to handle this work promptly and efficiently.

Regular visits will be made to the Eastern end of the county to permit citizens and taxpayers in this area to have frequent and personal contact with this important office.

The office will be staffed to care for your problems when they arise and your District Attorney will be on call day or night, with a telephone at his home LISTED for your convenience.

The District Attorney is elected by ALL the people and it is his duty to extend the services of his office to ALL, without favoritism or bias.

I will cooperate fully with your law enforcement officers and the judicial branch in handling criminal cases with dispatch and wisdom, feeling that my obligation extends to matters of public interest ahead of personal gain.

I feel fully qualified to keep these promises and pledge you I will make it my solemn trust.

SINCERELY,

HAROLD A. BERLINER
Candidate for District Attorney
Of Nevada County

KNIGHT IS RIGHT

FOR CALIFORNIA

THE AFL SAYS: "There is only one candidate for Governor who is worthy of Labor's support – Goodwin J. Knight!"

TAXPAYERS SAY: "Knight doesn't just talk a good job. He does it. He said he wouldn't ask for more taxes while millions lie in the State vaults – and he didn't. He submitted a careful, constructive economy budget – and won Legislative backing for it."

BUSINESS SAYS: "California's governmental training system has given Goodwin Knight 7 years of experience, as Lieutenant Governor, in dealing with Statewide problems. The apprentice system works in Labor. It works in Business. Governor Knight's record proves that it works in Government!

Let's not trade a man who knows the job—for a man who's willing to learn."

PARENTS SAY: "Governor Knight cracked down on the youth-destroying narcotics traffic and made the first move in 20 years to clean up liquor control."

GOVERNOR KNIGHT SAYS: "Government's true function in a democracy is not to rule, but to serve—with humble respect for the God-endowed rights of each individual citizen."

DEMOCRATS SAY: "The Cornerstone of Democratic Government is not the Party – but the Man. And this year the Man is Knight!"

TRUCKEE ELEMENTARY

KINDERGARTEN—All week the class concentrated on easel paintings. Those whose pictures adorn the bulletin boards are: John Besio, Dennis Davis, Roy Donaghey, Larry Digest, Charles Hintz, Dawn Maynard, Bruce Ryason, Carolyn Vaughan, and Karen Walker.

In the earlier part of the week we had a class birthday party for ten of the children.

1st GRADE—Most of the children who have been ill are back in school again. Lynn Blanke is still out however.

2nd GRADE—We reviewed many things this week such as: Ordinals through ten, relative value of inch, foot and yard; the pound as a unit of measure; an inch, yard and foot in measuring; pints and quarts; telling time, whole, half and quarter hours; counting coins; fractions of one-half and one-fourth; names of days of the week and months of the year.

3rd GRADE—In all our basic work we have been doing a general review over the last quarter of the term.

Janice Stewart treated us Friday with tasty cupcakes and ice cream in keeping with her birthday, May 29. Thanks and happy birthday, Janice.

4th GRADE—We had a very successful picnic Friday. We played softball on the ball diamond and then we were served a delicious lunch by some of the parents. We visited the ranch of Mr. Frank Turner, found some hen eggs in nests around the barn, and enjoyed watching the six buffalo he has in a pasture. We want to thank all of the parents who helped make our day so pleasant. The parents were: Mesdames Hugh Weinand, Gilbert Kumle, John Finnigan, John Gracik, Emery Lander, Arthur Pitts, Russell York and David Rose, chairman. Also Messrs Martin Johnson and Roger Rockholm.

The people with perfect scores on review tests are: Donna Gracik, Francie McGwinn, Dorette Rose and Charles Glenn. Pat Freeman, Richard Donnis and Dee Dee Frates missed only two words.

5th GRADE—The week before last, we had a baseball game against the Sixth Grade, but they won.

This week we had a picnic on June 1.

6th GRADE—The Fifth Grade asked us to a dance on Friday, May 28. We think it was very nice of them.

Mr. D. A. Knoefler and Mr. Ervin Single gave us our first lesson on safe hunting. It was a four-hour course.

These are the people who received awards for selling magazines: Donald Brown, Jerry Beck, Turra Ann Kaylor and Arlene Copeland.

Our class held its annual picnic at the east end of Donner Lake. Our guests were Mesdames Frank Borden, Lynn Kishbaugh, Gilbert Kumle, Walter Loynd and Darol McGihon. We appreciated their company.

KINGS BEACH SCHOOL

KINDERGARTEN and 1st GRADE—We were very happy to welcome twins Judy and Jill Robert back from Petaluma Monday morning.

Mrs. Jack Felte, Mrs. Chuck Malley and Kris Felte were visitors in our room Wednesday while Steven's little sister, Ann Felte, had her birthday party.

2nd and 3rd GRADE—Judy Draney, who spent the winter in Reno, joined our Third Grade class Monday. Rene Robert, who spent the winter in Petaluma, joined our Second Grade.

Schuanna Graham has transferred to the Tahoe Lake School Wednesday.

Raymond Hill brought a bouquet of iris for our room Tuesday.

Gwen Mizner brought a bird of paradise to share with our class.

4th, 5th and 6th GRADES—Catherine Graton has the chicken pox and Jill McGowen has the mumps.

The Sixth Graders enjoyed their swimming party at Carson Hot Springs and weiner roast at Mr. and Mrs. Walt Mandeville's last Thursday. The class wants to thank the P-T.A., Mr. and Mrs. Walt Mandeville, and Mrs. Jean Little for providing everyone with an evening to be remembered a long time.

Last week our class traveled to Tahoe City to take part in the Hunter's Safety program wth Tahoe Lake School. The information given to us by the three capable instructors is very valuable and will eliminate some of the dangers to hunters.

Mrs. Naomi McLane substituted for Mrs. Sams while she was away on business. Everyone enjoyed having her with us.

TAHOE LAKE SCHOOL

4th, 5th and 6th GRADES—We have been extremely busy these last weeks of school. Studies are finally completed, however, and we are all ready for a vacation.

We have had quite a few special activities. Included in these was the Hunters' Safety program which almost every student in our room attended. We met with Mr. Griffith of Tahoe City, Mr. Single of Truckee and Mrs. Knoeffler of Donner Lake and discussed the safe use of firearms. Everyone who attended the classes thought they were very helpful and worthwhile.

On Friday, May 28, we had our final room dance of the year. Thirty-two children attended the party and enjoyed themselves immensely. Mr. and Mrs. Robert Briggs chaperoned the affair and they were assisted by Mrs. Ronnie Grainstead and Mrs. W. H. Ball. The party was from 7 to 9 p.m. in the school auditorium. Refreshments were prepared and served by JoAnn Pomin and John Gorham.

Last Friday we also had a "Collections Day" when quite a few of us brought our collections to school to share. Students who took part in this included Gary Henry, John Gorham, Bill Verner, Billy Conners, Bobby Porter, Chris Poulsen, Parky Bechdolt, and Jerie Grinstead.

Plans are underway for a room party to be held on June 4, the last day of school. Trent Giannini, class president, is chairman of the affair.

DONNER TRAIL SCHOOL

This week we concluded the cleaning up of the building area. We moved the basketball backstop. We started to dig a hole for it but had to stop and start again. We hit a large rock. We will move 30 feet away and start another hole. On practice throws in basketball one of our First Graders has the highest score.

CARD OF THANKS

We greatly appreciate the many kind thoughts and deeds of our friends during our recent bereavement.

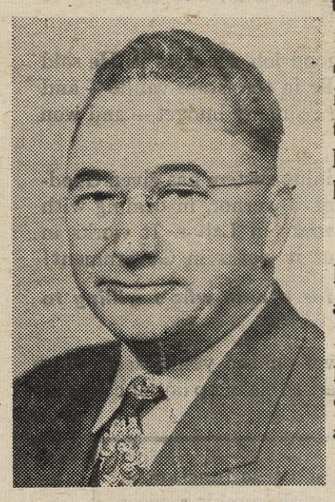
TO THE VOTERS OF
NEVADA COUNTY

I find that it will be virtually impossible for me to meet and talk to every voter in Nevada County, so I am writing this message to let you know that despite that fact I sincerely solicit your support at the primary election next Tuesday.

I believe, after having served as your coroner for the past 12 years, there can be no question regarding my qualifications and my ability to fulfill the duties demanded by the office.



It has been my policy, and will continue to be, if you return me to office, to faithfully and conscientiously serve you efficiently. I will continue to maintain deputies in all funeral homes of the county so that service can be rendered without delay when required. This policy, I believe, has been proven sound.

As a native and life-long resident of Nevada County, I can honestly say that I am familiar with the needs of the people I hope to continue to serve. It shall be my policy to continue the operation of the office of coroner on an economic, sound and business like basis.

I am a veteran of World War I, having served in the U. S. Infantry. My affiliation with various civic and fraternal groups is well known and I feel that my work as coroner has been good and I sincerely hope that you will permit me to continue this work by your vote at the Primary Election Tuesday, June 8th.

TAHOE FOREST ACTIVITIES

Forest Fire Control

As previously stated in this column, the Tahoe National Forest embraces one and one-quarter million acres of forest land. These forested areas have a first and primary value to provide water and water storage to California and western Nevada. They further serve to provide mankind with lumber (wood), forage for livestock, fish and game, recreation, scenic beauty, etc. The sum total of these natural resources is impossible to gauge precisely. but it takes little imagination to conceive the enormity of the loss to man should they suddenly be destroyed. Such destruction would not only make a barren waste of the entire State of California, but would result in loss of individual incomes in the various industries engaged in harvesting the products of the land.

It is apparent, then, that we do have to wisely manage and vigorously protect the forest lands and their resources if we are to continue to maintain a high standard of living.

Forest protection means guarding the forest resources from injury or destruction. The principal agents that threaten such destruction are insects, diseases and fire.

Insect and diseases work slowly, like a malady. Protection measures against them can be on a work-a-day, planned, program basis.

On the other hand, fire, like an accident, strikes unexpectedly and is capable of bringing about extensive and complete annihilation of forests in a matters of hours.

Fire Protection

Protection from fire must be made through the media of a dual approach. First, we can anticipate that we will always have some forest fires—caused by lightning or other uncontrolable agents. To be ready to suppress these fires, entails the maintenance of a fire fighting organization in order to minimize damage to resources

The other approach is protection through prevention. Tritely, the preventing of fires from ever starting at all constitutes the easiest and cheapest way to successful fire protection.

The fire control job on the Tahoe is broken down into three broad categories: (1) Fire prevention, (2) Fire Presuppresson (getting equipped, trained and located to put the fire out, and (3) Fire Suppression. To each of these three categories are many facets such as cooperation with the National Advertising Council, Boy Scouts, lumber companies, loggers, industrial research, California Department of Corrections, State Division of Forestry, small business, and the man on the street. Other "side-lines" activities such as safety programs, management of personnel, procurement of supplies, etc., all tie into each of the three phases of fire control.

It will be of interest to everyone, it is felt, to deal with each one of these fire control management jobs in subsequent weekly columns. Next week the job of fire prevention will be given in detail.

KNIGHT LEADING IN BOTH PARTIES

SAN FRANCISCO—Gov. Goodwin J. Knight, according to an analysis of pre-election polls made public today, has a lead of 2.6 per cent over the combined total of his two opponents for the Democratic nomination at the June primary, and appears certain to win a smashing victory for the Republican nomination, which it is estimated will run to nearly 90 per cent of the total GOP votes cast.

TO THE VOTERS OF PLACER COUNTY

I, Edgar J. (Jim) Kenison, ex-Sheriff of Placer County, being unable to meet all my friends of Placer County, take this way to inform you that I endorse a candidacy of AUGUST G. BIANCHINI for Sheriff.

I have known Mr. Bianchini for the last 18 years, during my first four years in the Sheriff's Office, he served as Special Investigator. Knowing him as I did, he was assigned to head the Juvenile Problems. Knowing he had been head of many organizations, mostly consisting of youth, a job he handled without difficulties. He has helped many youths, who now have grown to a voter's age and they embrace his candidacy 100 per cent. I have talked to Mr. Bianchini and he has a solution wherein he can save the taxpayers from $15,000 to $20,000 a year.

I also see it as Mr. Bianchini does. Our youths are good, they just need guidance. Looking back over the record when I was sheriff, Mr. Bianchini was my special investigator and we didn't have the trouble with youths then as we do now. You help the kids, they will cooperate.

A hint to the wise is sufficient for better protection—for your youth farmers and outlying districts. I urge you to vote and elect AUGUST G. BIANCHINI for Sheriff of Placer County.

I endorse his candidacy for Sher-

Many Tahoeans Are Returning To Lake For Summer Season

TAHOE CITY.—The memorial holidays weekend brought thousands of cars into the Lake Tahoe area from all over the nation. Numerous summer residents arrived to open their homes for the season, with Tahoe weather continuing, ideal and sunny.

Among those noted in this week are Henry J. Kaiser of Oakland, who is in with a party of friends at his lakeshore estate in Tahoe Pines; Dr. and Mrs. H. H. Searles of San Francisco, who have arrived at their Carnelian Bay home; the J. Philip Murphys of Piedmont, in at their lakeshore residence in Sunnyside; the George Poundstones of Colusa, who have opened their Tahoma cottage for the season; Dr. and Mrs. J. B. Snell of Vallejo, in at their Homewood place for the weekend, accompanied by their son, Dr. Douglas Snell and family.

Mrs. J. H. Todd of San Francisco, whose home near the Tahoe Tavern is now reopened. She is entertaining Mrs. H. Hoppe of San Francisco; Mrs. Vivian Sabonge of Sacramento, in for a visit at the Tahoe Pines home of her father, J. E. Pomin; Mr. and Mrs. James Brown and daughter of San Francisco, and Philip Brown, all in for a stay at the Cabot Brown residence in Tahoe Park; the H. W. Bogarts, son Jack and party, from Piedmont in at Lake Forest.

The B. C. Houdlettes of Piedmont, now occupying their beautiful showplace at Carnelian Bay; Mr. and Mrs. Alfred Saroni of San Francisco, entertaining at their lakeshore summer home in Sunnyside; Mr. and Mrs. Al Stoddard back from 29 Palms to their Lake Forest home for the summer; the J. Allen Brays of Piedmont, in at the Scott home in Lake Forest. The Hans Windersheims of Berkeley now arrived at Carnelian Bay; Mrs. Georgia Lambert of Auburn, now occupying her summer home in Tahoe Park, guests including Mr. and Mrs. Art Winter of Carson City; Mrs. A. R. Bradley of San Mateo, who purchased the old Fleishacker home in Tahoe Pines, with son Loran, entertaining a housefull of guests; Mr. and Mrs. Bruce Dohrmann of San Francisco, enjoying a stay at their home in Sunnyside, recently remodeled; and Mr. and Mrs. Tommy Thompson of Southern California now in their Tahoe Pines home.

Mr. and Mrs. Skehnes, former owners of the Westerner Motel in Reno have purchased the Manzanita Lodge at Carnelian Bay which they will operate this summer.

Kirkwood Proposes Post Audit Project

State Controller Robert C. Kirkwood, candidate to succeed himself at the June 8 primary election, declared today that he would like to see through to completion, "a better check on the revenues and expenditures of the state through an independent post audit."

"I will continue to urge the legislature to consider budget changes which will provide an independent and better system to post audit than now exists," said Kirkwood.

As the chief fiscal officer of state government the controller keeps the accounts of the state, pre-audits all claims against the state, and draws the warrants (checks) against the treasury of California.

SWANEE'S Lake Tahoe Letter

(Continued from Page 2)

Elizabeth Ash, who was past 80 at the time of her passing early this year. Miss Ash for many years has shared her summer home, Agea, at the northern edge of Tahoe City, with her old friend Miss Alice Griffith. Miss Ash was the original founder of Telegraph Hills' Neighborhood House in San Francisco, Miss Griffith assisting her through the years in its operation.

Before closing this week's letter would like to call attention to the quarter page announcement made in today's Sierra Sun by Tahoe City's Harry Johanson, who, for the first time in 19 years faces opposition at the polls for the office of constable here. Some of the "highlights" mentioned by him represent countless hours of gruelling, humanitarian service to the people of this mountain community, performed willingly and cheerfully, without compensation, demanding efforts far beyond the call of duty. I hope the Sun's readers will consider these facts before casting their votes for the constable of their choice to serve for the next six years. Constable Johanson announces this week that the spring cleanup of the Tahoe City Cemetery has been completed by him, and in answer to many queries state that lots in the cemetery are free of charge to anyone having resided in the Lake Tahoe area of Placer County, which also includes King's Beach. Don't forget election day is June 8th!

Adios for this week, and here's wishing you all the best of everything.

As ever,
SWANEE

TO THE VOTERS OF PLACER COUNTY RESIDING IN THE TAHOE JUDICIAL DISTRICT

I would like herewith to recount for the record just a few of the 'highlights' in my 19-year career as local law enforcement officer ....

I was appointed Constable in 1935 by the Placer County Board of Supervisors .. the same year my dog tea mappeared in the movie, Call of the Wild, filmed at Donner Lake ....

In 1936, I made a 16-mile trip on skis to Squaw Creek, bringing a 6-year-old boy home on my back ....

In 1937, with Game Warden Bill LaMarr, I skied to Webber Lake with provisions for a man ill with bloodpoisoning .... sent a doctor back via Snowcat ....

In 1938, during a snowbound winter, I distributed to Brockway, Tahoma, Tahoe City and Homewood, by my dogteam, and boat, food dropped by plane on the Tahoe City golf links ....

In 1939, I captured two armed Balkin brothers, escaped convicts, after tracking them up the Rubicon ....

In 1945, I captured at Eagle Falls, Vorhas Newton, who murdered his wife and two children in San Mateo County ....

In 1946, I received $350.00 reward for finding clues here which led to the capture of four men who burglarized 44 Tahoe homes .... Most of the loot was later recovered ....

In 1952, I delivered food and supplies to marooned residents of Homewood and Tahoma during the record-breaking winter, in an open snow-cat ....

In 1953, I spent several months in restoring the old Tahoe City cemetery, surveying, relocating and marking the graves, making more burial places available ....

I believe I am qualified to retain the Constable's office because I graduated from the California Highway Patrol Academy at Sacramento in 1938 .. the FBI Police Training School at Sacramento in 1939 .. the FBI Civilian Defense Course for Police at the University of San Francisco in 1941 .. the California State Department of Education's Peace Officers' Training Program Class in 1951 ....

I HAVE NEVER REFUSED TO ANSWER A CALL, LARGE OR SMALL, AT ANY HOUR OF THE DAY OR NIGHT, AND HAVE CONDUCTED MY OFFICE HONESTLY AND CAPABLY, AND I AM UNDER OBLIGATION TO NO ONE BUT THE VOTERS OF PLACER COUNTY WITHIN THE 240 SQUARE MILE LIMIT OF THE TAHOE JUDICIAL DISTRICT.

A vote for me will be a vote for continued prompt, honest and efficient law enforcement.

Respectfully
HARRY JOHANSON
CONSTABLE TAHOE JUDICIAL DISTRICT

Tahoe Receives Trout Plant As Plane Flies Over

Lake Tahoe got a large part of its annual kokanee salmon planting from the air this month, when a Department of Fish and Game plane dropped 200,000 fingerlings in selected spawning areas along the California short.

Half a million of these smaller, landlocked versions of the sockeye salmon have been planted in Tahoe every year since 1949, department records show. But this is the first time that kokanee, or any othr fish, have been stocked in the famous lake by air.

The twin-engined plane was used this year in an attempt to cover more of the off-shore areas than can be reached efficiently by boat or truck. It also saved a long and difficult tank truck journey, for the fish could be flown directly to the lake from Columbia airport, Tuolumne County—only a short distance from Basin Creek hatchery, where they were raised.

The inch-long kokanees were dropped over carefully-picked spawning areas. Three or four years from now, after they have grown up and spent their time in deep water, their homing instinct will bring the adults back to the air drop point for their egg-laying mission.

Most of the lake's present kokanee population spawns in the inlets, fisheries men point out. If the fish can be led to spawn along the shore, as they do in nearby Donner Lake, much greater reproduction may be possible.

The rest of the half-million kokanees slated for planting this year have been raised at Tahoe hatchery, and are being stocked in more accessible parts of the lake by boat and truck.

Miss Beverlee Ann Gross, daughter of Mr. and Mrs. Harvey Gross of Stateline, Lake Tahoe, and William Ledbetter of Elk Grove will be married in the Episcopal Chapel of Galilee, Lake Tahoe, on June 12.

Placer Taxpayers Urged To Study School Budgets

AUBURN—The May issue of the Tax Facts For Taxpayers, monthly newsletter of the Placer County Taxpayers Association, points out that schools are the biggest spenders of property tax money and urges taxpayers to scrutinize closely the school budgets for 1954-55.

This means is suggested as best for getting value received for the money spent and to determine that all possible economies are made within the limits of a sound educational program.

The article reports a survey of elementary school enrolments from 1950 to 1954 shows the number enrolled in all schools in the county increased by 1,325 in the period.

The article continues:

"This is a normal rate of growth and does not necessitate any tremendous building program to keep pace with it, particularly as many elementary school pupils drop out before reaching high school and college.

"In the 10 year period, 1940-50, elementary school enrolments increased by 1,864 or an average of 186.4 pupils per year, an even slower rate of growth than that shown for the five year period 1950-1954."

Mrs. W. H. Mayhew of Oakland is again at her Tahoe City property for the season.

E. M. Frost of Fontana has written that he will spend some time at Kings Beach.

First Push-Button Motors Received

The first shipment of a push-button outboard, a 25-horsepower model equipped with built-in electric starter, has been received in Tahoe City by Tahoe Boat Company.

With such a motor, the local dealer explained, an outboard boat can be operated fully from the driver's seat in the same manner as the family car. Starter and choke are operated by push-buttons mounted in a dashboard panel and the outboard, the Sea-Horse 25 produced by Johnson Motors, is equipped with all fittings for steering wheel and throttle-and-shift control units.

The new electric outboard, Tahoe Boat Company said, retains the ready-pull hand starter intact for optional use. They said the Johnson 25 also will continue to be available in the standard, non-electric version.

CUB SCOUTS HOLD MEET AT PARK

The four dens of Cub Scouts assembled at the baseball park Tuesday evening for the first of their series of summer meetings, with Cubmaster Glenn Lee and Den Mother Mrs. Frank Zuber and a group of mothers and fathers conducting the baseball games and meeting which followed.

The meeting time of the group will be changed to 7 p.m. at the June 8 meeting to be held in the park.

Girl Scouts To Enter Displays At Nevada

Mrs. Jack Ellis and Mrs. Fred Pedley will accompany Girl Scouts Troop No. 2 and Brownies Troop No. 1 to Reno on Friday to enter their floral arrangements in the Reno Flower Show which will be held in Reno on Saturday, June 5.

Mrs. N. F. Dolley has been conducting classes in the art for the two groups.

SENIOR CLASS FETED BY ROTARY CLUB

The local Rotary Club had the senior class of the high school together with their teachers as guests at the regular meeting held at Donner Lake Lodge.

The guest speaker, Mr. William Tobiassen of Nevada City, gave a very eloquent talk directed to the graduating students. He complimented them on their desire to continue with educational opportunities offered in the many colleges located in the state.

In addition to the speaker the program consisted of a piano recital by Carol Wilson, a solo by Jerry Quam, and two solos a piece by William Curran and William Tobiassen.

A special tribute was paid to George Bergen for his excellent record in the local club and wishing him success in his new location.

Johnnie Richards presided over the meeting with John Caridella serving as program chairman.

Next week will be a "Charter Night" meeting for the club to be held at the Donner Lake Lodge. This is a special meeting with the ladies of Rotarians being invited.

BOEHM IS HONORED ON DEPARTURE HERE

Scores of friends enjoyed two parties held during the weekend given as farewells to E. E. Boehm who has left for Susanville where he will resume his work as ranger for the U. S. Forest Service, a position he occupied here for six years.

The first of the two affairs was given by fellow workers in the service at Sarge's, and the second, to which the public was invited was held at Mr. and Mrs. Clinton Brines Sleepy B-Bar Guest House at Hobart Mills.

MRS. WOLERT TELLS OF TRIP AT MEET

Mrs. Jack Wolert will give an illustrated talk of their recent tour of Europe at the Wyethia Club meeting to be held tomorrow at 8 p.m. Mrs. Fred Pedley will preside.

Hostesses serving refreshments following the program include Mesdames Ed, Trask, Jack Stewart Glenn Coffey.

At Donner Lake—
Mr. and Mrs. Martin A. Johnson came from San Diego to spend the summer at their place at Donner Lake.

Smiths Visit—
Mr. and Mrs. Carl Smith of San Francisco were weekend visitors here.

Gambling Operator Is Speaker Before Lions

Raymond I. Smith, manager of Harold's Club at Reno gave an interesting talk on the history of the club at a meeting of the Lions Club held at Donner Lake Lodge last night with C. R. Heller presiding and Earl Stice as program chairman. Smith also recited facts on the various games of gambling and gave a few of the more costly facts on dishonest gambling.

Visiting Lions included L. M. Myers, Rev. Karl Markgrw, Vernon Stoll of Grass Valley and other guests were R. W. Hoskins, George J. Todd, of Grass Valley and Harold Berliner of Nevada City and L. H. Nations of Truckee and F. Dale Hines of Palm Springs.

F. W. Robichaud, Truckee attorney, was inducted as a new member.

Cavitt Brings Cattle—
W. M. Cavitt has been bringing his cattle in from Loomis to the local ranch.

Guests From Novato—
Mr. and Mrs. L. Carutcheberry had Mr. and Mrs. D. L. Richard of Novato as their guests this week.

To Idaho—
Mrs. Ray Hintz and children left today for Idaho where she was called by an illness in her family.

Improving—
Mrs. Kenneth Hedlund is reported improved following a stay of several days in Tahoe Forest Hospital.

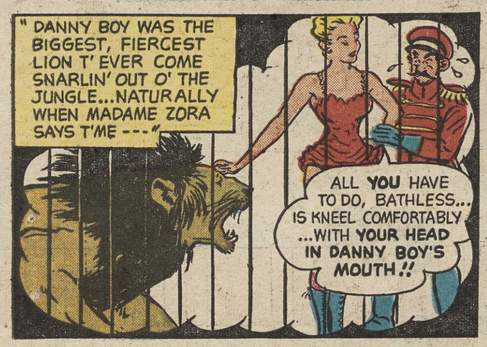
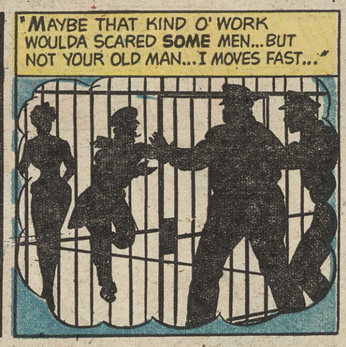
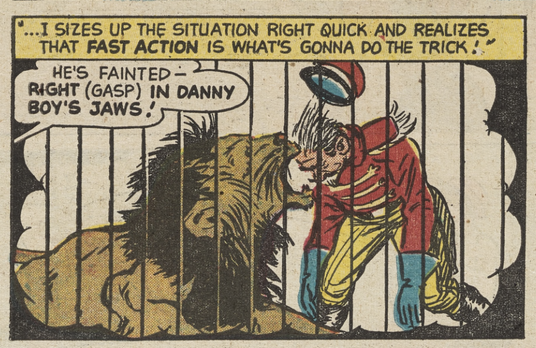
KEERECT, SUE, HONEY... WHEN THIS HERE CIRCUS I BEEN TELLIN' YOU ABOUT MAKES ME ASSISTANT TO THE LION TAMER I GETS KIND O' NERVOUS UNTIL I MEETS UP WITH DANNY BOY—
WHO WAS HE, POP?



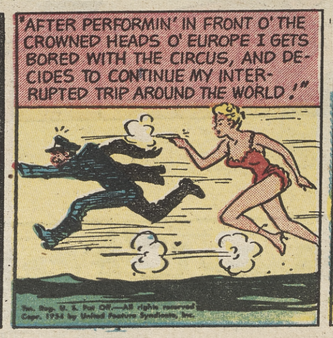
"DANNY BOY WAS THE BIGGEST, FIERCEST LION T' EVER COME SNARLIN' OUT O' THE JUNGLE... NATURALLY WHEN MADAME ZORA SAYS T'ME ---"
ALL YOU HAVE TO DO, BATHLESS... IS KNEEL COMFORTABLY ...WITH YOUR HEAD IN DANNY BOY'S MOUTH!!





"...I SIZES UP THE SITUATION RIGHT QUICK AND REALIZES THAT FAST ACTION IS WHAT'S GONNA DO THE TRICK!"
HE'S FAINTED— RIGHT (GASP) IN DANNY BOY'S JAWS!

"IN NO TIME AT ALL ME AN' DANNY BOY IS THE STAR O' THE WHOLE BLARSTED SHOW... NATURALLY MADAME ZORA GETS JEALOUS!!"
THE ONLY EXPLANATION I CAN GIVE FOR HIS ILLNESS IS THAT LIONS HAVE DELICATE STOMACHS— EASILY UPSET BY PECULIAR ODORS... ESPECIALLY A COMBINATION OF RUM, TOBACCO, AND UN-WASHED HUMANS!



"AFTER PERFORMIN' IN FRONT O' THE CROWNED HEADS O' EUROPE I GETS BORED WITH THE CIRCUS, AND DECIDES TO CONTINUE MY INTERRUPTED TRIP AROUND THE WORLD!"
